Eurydice - Unframed

\$100.00

H.D. (Hilda Doolittle)

Copyright 1925, 1953 Norman Holmes Pearson; Reprinted with permission of New Directions. Fans of Hilda Doolittle need no explanation of the sensitivity and care with which she delved into Ancient Greek Literature and mythology; her work is imbued with the sense of it. Hilda, an early feminist, was supported in her work by people like Ezra Pound, was friends with Sigmund Freud. She wrote in a time that was dominated by men, and earned wide respect.

1979

12"x21"

Printed in 4 colours on 100% cotton hand made paper from NovaDreadnaught, in Bear River, Nova Scotia, Canada.

In a quantity of 250 copies

130 copies of the posters are available for sale
